

MASSACHUSETTS SCHOOL  
ADMINISTRATORS' ASSOCIATION

## Membership Drive 2020-21

### Connections *Seeking Making Utilizing*

**Connections** have been a common thread through the years that has united our MSAA members. And, never as important as in the past few months; and, certainly, in the days ahead.

- Recently, over 260 MSAA members signed up for three book study groups to discuss strategies for the promotion of anti-racist education. Please contact Julie Vincentsen at [vincentsenj@lincnet.org](mailto:vincentsenj@lincnet.org) if you would like to join us.
- Relevant and timely Professional Development opportunities not only connect administrators, but teaching staff as well. In 2019-20 we connected via 120 PD opportunities.
- Your MSAA leadership team is connected to our Commissioner of Education with quarterly meetings in our office, as well as scheduled meetings with the Superintendents Association.
- Connect with our newly created Diversity, Equity & Inclusion webpage for resources and important information.
- MSAA has connected with our members through our *MSAA Matters*, a bi-weekly publication. It shares conversations with the commissioner, the superintendents' association, opinions of other educators, relevant educational articles and cites myriad resources to reference.
- In light of the pandemic, MSAA Gatherings have connected members from across the Commonwealth using the RingCentral platform to introduce and facilitate weekly discussions with administrators from PreK-6, Middle Level, High School, Special Education and an All Level Gathering.
- MSAA has connected with Regional Group meetings at all levels.
- MSAA sponsors National Honor Society, Student Council conferences, as well as Cheerleading and Dance Competitions.
- MSAA has four members on the Governor's "Return to School Work Group".
- All 2000+ MSAA members have instant connection through the members email contacts.

**And now, you need to be a part of these connections more than ever!**

Kathleen Duff, President MSAA

Julie Vincentsen, 1<sup>st</sup> Vice President MSAA
