Jane Hardin, Department Chair of Special Education at Ribas Associates and Publications

Asynchronous Online: registrants may work at their own pace

MSAA will offer this online workshop in five parts. Registrants may sign up for all five modules, or only the ones they find useful/appropriate. Upon completion of each module, registrants will receive a certificate for 3 PD hours.

Registration is accepted now through December 31, 2020, learning portals open October 1 and close January 15, 2021.

Please use the links below for detailed information on each Module and registration opportunities:

Workshop Delivery: Asynchronous (on demand online) and self-paced	Up to 15 PDPs Content Area: <i>Special Education</i>
