## Paraprofessional Training: Session 4

**Monday, December 14, 2020, 3:00pm-4:00pm**

**Session 4: Accommodations and Modifications Overview**

Our goal is to examine the difference amongst accommodation, modifications and intervention. Paraeducators are expected to meet the needs of a varied population. These students have diverse needs and paraeducators are expected to wear many hats. Our focus is to distinguish the 3 typical interventions, accommodations and intervention.
